What is the Fairy Godmother Academy?

Books, music, dances, web site and social network about modern day preteen girls who are unknowing heiresses to ancient lineages of Fairy Godmothers, and who travel to the dream world of Aventurine to gain Wisdoms and power in order to make a difference in the real world.

What is a Fairy Godmother Lineage?

Lineage: \ˈli-nē-ij - a group of individuals tracing descent from a common ancestor.

In the Fairy Godmother Academy, each girl with a Fairy Godmother in their ancestry has the chance to become next in a line of Fairy Godmothers. Each Lineage of the Fairy Godmother Academy is presented in a different book, and is represented by a family Talisman, or magical symbol, and by a collection of Wisdoms. Both Wisdoms and Talismans are handed down mother to daughter, sister to sister, friend to friend. The fairies in Aventurine teach Fairy Godmothers-in-the-making, like you, everything they need to know to use their gifts for good in the real world. Birdie's family is in the Arbor Lineage, and the Singing Stone is their Talisman.

What are Wisdom Cards?

Wisdom Cards are beautiful and unique expressions of Wisdoms from the Fairy Godmother Academy. Perfect for trading and collecting, the Wisdom Cards you hold in your hand right now contain a special code to unlock a unique item available only on the web site. What is the Million Girl Choir?

Sing "Hello Dreamer," the first song of Fairy Godmother Academy, with Dreamers from around the world. When you add your voice, you help to protect the Green World, and make a real-world impact! For step-by-step instructions, visit <http://FairyGodmotherAcademy.com/hellodreamer>

Make your own Lineage Journal

1. Separate the cover from the pages. There is one cover, and it is on thicker paper.
2. Pass out **one** Lineage Journal page to each friend (This is NOT the take-home sheet).
3. Be creative! Make the Dream, Talisman, Memory, and Wisdom panels your own.
4. Decorate your page in your personal style: use color, glitter, collage for extra fun!
5. Think of a name and talisman for the cover that describes you and your friends' new group.
6. Decorate the cover with your Local Lineage name, talisman or symbol, and founders' names.
7. Add all pages to the inside of the cover and fold it to make sure they are in the right way!
8. Bind the Lineage Journal as you like: staple it, sew it, wrap it with a fantastic ribbon. Be creative!
